TECHNICAL PROPERTIES

Class	AC-23A
Rated operational current (Ie)	80A
Rated insulation voltage (Ui)	690V
Rated operational voltage (Ue)	80A. 380-400V AC 50-60Hz
Electrical Life	min. 10.000 cycles
Operating Temperature	-20 / +60 °c
Standard	EN 60947-3
Operation	4 Pole ON-OFF
Warranty Period	3 Years
Front protection	IP65

- Handle in the OFF-position lockable with padlock.
- To remove front cover of enclosure, switch must be OFF-position
- Rear mounting with screw or din rail.
